

Gideon A. Afriyie

AI RESEARCH · DATA ANALYST · QUANTITATIVE RESEARCH

✉ gideonafriyie23@gmail.com | 🏠 gideonafriyie.github.io | 📞 gideon-afriyie-776495407

Experience

Under Canvas Inc.

May 2025 - July 2025

DATA ANALYTICS FELLOW

- Analyzed a \$1.6M dataset using Python/Excel to model bonus inconsistencies and cost efficiency.
- Proposed a data-driven incentive framework to optimize corporate cost efficiency.

Brighter Generation

May 2024 - Sept. 2024

VOLUNTEER TEACHING ASSISTANT

- Mentored 25+ high school students; received the Seibert Project Award for leadership and community impact.

Research & Programs

Google

May 2026 - Present

TRC RESEARCH | 🔗 LINK

- Selected and awarded high-performance Cloud TPU infrastructure grant for ML research.
- Using Google Cloud TPUs to accelerate large-scale ML experiments on extreme-value statistical models.

Portland State University

June 2026 - Aug. 2026

ALREU RESEARCH | 🔗 LINK

Remote | Part-time

- Developing an ML model using 10 years of NASA/EPA data targeting a 20% improvement in accuracy.
- Building weather-normalized trend models to isolate genuine air quality changes in Los Angeles.

MIT/Harvard IAIFI

August 2026

AI SUMMER SCHOOL | 🔗 LINK

Incoming

- Selected for a program focusing on Physics-Informed AI and foundational ML models.
- Collaborating in a hackathon to put AI theory into practice using hands-on code-based tutorials.

Publications

Afriyie, G. A.

“Extreme Value Theory Analysis of Prime Gap Distributions: Statistical Analysis of Cramér’s Conjecture and Light-Tailed Behavior.” *Journal of Statistics & Probability Letters* (Elsevier). DOI: 10.1016/j.spl.2026.110898

Honors & Awards

- 2026 **F-GAP Scholar Nominee**, Math Alliance at the American Mathematical Society - Nominated by the Chair of the Mathematics Department
- 2026 **Taylor Gaw ’13 Endowed Fellowship**, Competitive research fellowship supporting the altREU program
- 2024 **Seibert Project Award**, Recognized for leadership, mentorship, and community impact
- 2023 **David Wills Scholar**, Prestigious academic merit award (\$33,000/yr) granted to incoming students

Education

Gettysburg College, B.A. Mathematics, Economics minor

2023 - 2027

Gettysburg, PA

BAUM Tenpers Institute, SDEs, Stochastic Calculus, Dynamic Programming

Summer 2025

Grad-Coursework

Skills

Tools	Python, R, SQL, LaTeX, Excel
Modeling	EVT, Time-Series, Statistical Inference
